## 1. What is this Policy About?

This policy outlines the requirement and expectation of all members of staff at the Lodestar Academy for the provision of education for pupils with Special Educational Needs and Disabilities. It complies with the following:

- The statutory requirements set out in the [SEND Code of Practice 0-25](#)
- [Part 3 of the Children and Families Act 2014](#), which sets out schools' responsibilities for pupils with SEND and disabilities
- [The Special Educational Needs and Disability Regulations 2014](#), which set out schools' responsibilities for education, health and care (EHC) plans, SEND co-ordinators (SENDCOs) and the SEND information report

We define pupils with Special Educational Needs & Disability (SEND) as those who have

*'A significantly greater difficulty in learning than the majority of others of the same age, or has a disability which prevents or hinders him or her from making use of facilities of a kind generally provided for others of the same age in mainstream schools' (Code of Practice 0-25).*

These difficulties may be physical, emotional, psychological or medical. The definition of learning difficulty does not apply to pupils who face barriers to learning due solely to having English as an additional language.

The Lodestar Academy is committed to supporting pupils and helping them to develop the skills they need to progress to the next stage of their life and learning. This is achieved through identification of need and providing appropriate support in areas and at a pace, which is unique to the pupils, whilst maintaining an inclusive philosophy.

### Objectives:

- To identify and provide for pupils who have special educational needs and additional needs.
- To work within the guidance, provided in the SEND Code of Practice.
